

## Bowen und Diabetes

**Robyn Wood**

2 days / 16 hours

Prerequisite: Module 8

BOWEN THERAPY and DIABETES One Day Workshop or 8 CEUs Tom Bowen was a family friend and a diabetic. This is a rapidly increasing worldwide health problem. The workshop is “power point based”, Manual supplied. 1. We explore the Role of the Pancreas, and look at the various types of Diabetes. 2. We look at the specific medical problems associated with Diabetes, and the Challenges we face as Bowen therapists. How much Bowen to do. 3. Symptoms which require medical referral 4. Bowen procedures and exercises designed for the diabetic client. Highly recommended for all Bowen Therapists.
